

Dear Jerry and Board Members,

We are so pleased to accept financial support from the Harvard Schools Trust. Your recent awards for the two clubs and a guest artist will provide students with enriched experiences. When students visited the School Committee meeting to describe their club activities, including travel, they beamed. Your support allows more students to participate in the travel opportunities. Thank you for volunteering your time to raise the money and consider the requests.

Sincerely,

Linda
Dwight
& the School
Committee
