Mrs. Cutler, Mrs. Symula, and Mr. Vandervaart,

Speaking on behalf of our entire club as well as its officers, we can not thank you enough for the approval of this grant for our State Leadership Conference in March. We have already chosen competition areas, and are now excitedly preparing our projects in order to showcase them at the conference you have funded.

Again, your contribution to this burgeoning club at Bromfield is greatly appreciated.

Thank you,  
Jack Armstrong
