Dear Mrs. Dorward,

Thank you very much for the Harvard Schools Trust Award. I will be using the money to help with expenses at Harvard College this coming fall. I can assure you that your money will have a direct effect on the amount of time I can devote to studying and extra-curricular activities. My family applied for and received financial aid, but the expected family and student contributions remain significant. Currently I am undecided about what I will study. Thanks again for both the award and the support you have provided my class over the past thirteen years.

Sincerely,

A handwritten signature in cursive script that reads "David Butterfield".
