

Dear Ms. Dorward, The Harvard Schools Trust  
and Mrs. Sordi,

I am honored to have received the  
Harvard Schools Trust Award; thank you so  
much! The award is going towards my room  
and board and book expenses at BU where  
I will be studying Acting at the conservatory-  
style College of Fine Arts. I attended orientation  
a few days ago and wish I could start school  
right away, I just can not wait. I really appreciate  
the award because it tells me that my  
personal growth at Bromfield and my love of the  
school and community was evident. Bromfield is a  
wonderful place and I will miss it very much.  
Thank you again and I wish you a wonderful  
summer!

Sincerely, *Judy Nardone*
