

Dear Mrs. Dorward,

I can't express how grateful I am to have received the Harvard Schools Trust Scholarship. It truly means so much to me to have been chosen. The generous award will be put towards books and tuition expenses at MCPHS University, where I will be enrolled in the Doctor of Pharmacy program. I truly appreciate the recognition you've given me, as well as the time put in to review my application. Please extend my utmost gratitude to the other members of the Board.

Sincerely,

Dareen Kanaan
