Subject: Thank You

Terry,

Thank you so much for participating in Challenge Day yesterday! I am grateful that I work with such compassionate people and community members.

Please thank the Harvard Schools Trust for making this possible!!!! It has made an incredible impact - I have had amazingly positive feedback from students, faculty and parents (it's not even 24 hours yet and I have gotten a number of emails and calls/visits). This could never have happened without the support of the Trust.

Thank you again!!!
