Dear Lindsay, Charles, and Terry,

That's such wonderful news! We cannot thank the HST enough! This grant for Voces Digital will provide our department and students with a sense of security and continuity in these uncertain times. We are excited to set up our digital classrooms and to enroll in their virtual summer conference to learn about the program in depth!

At the beginning of the school year, we will send out an email to families explaining the Voces Digital platform and how, through the generosity of the HST, it will facilitate student learning in any of the potential learning environments. We will encourage families to donate to the HST if they are able or to consider joining the Trust to ensure the continuation of such incredible opportunities for teachers and students.

Thank you again for your generosity and support! Have a wonderful rest of the summer.

Best,  
Lisa
