

To the Harvard Schools Trust,

Thank you for your generous award toward my continued education!

I am honored to be acknowledged by the trust. It means so much to me that Harvard recognizes my work with the LGBTQ+ community throughout high school!

Next year I will be attending Clark University in Worcester to pursue a BA in Multimedia Studies and an MA in History (Clark has a 5 year master's program!) I hope to further attend grad school for a Ph.D in Renaissance studies and to one day start an LGBT-focused Ancient History Museum. I also dream of being a novelist... 😊

Thank you so much for your support!

Sincerely, Kira Houston
