

Dear Harvard Schools Trust,

I cannot express in words how thankful I am to have received the Harvard Schools Trust Award. I am honored to be a recipient of a scholarship which over so many years, was awarded to so many bright and successful individuals. This money will be used to fund my education at UMass Amherst, where I will be studying computer science.

From science fair, to the robotics team, to the flea market, to the very materials we use in class, the Harvard Schools Trust has been a huge support to me not just as a student, but as a member of the Harvard community. I know that the Trust will continue to uphold its mission, and will help guide students, staff, and parents for years to come.

Thank you so much,
Vivien Jamba
