

Dear Harvard Schools Trust,

I want to thank you for awarding me a Harvard Schools Trust Scholarship this past June. I am extremely grateful to be recognized by your organization; it is an absolute honor and I wanted to express my appreciation for your help in supporting my continued education.

I am attending Syracuse University this fall, where I am thrilled to pursue my academic interests and to participate in the community as I did in Harvard through volunteering and school spirit.

Receiving this award means a lot to me and your support for the Harvard Public School community and for me personally is something I will hold close to my heart as I continue my journey through college and into the workforce.

Sincerely,
Anne Segaloff
