

Dear HST Board of Directors,

Thank you for sponsoring the HST Scholar Award. I am deeply honored and incredibly grateful to have been chosen as the recipient. Bromfield is so fortunate to have an organization like yours to support the district.

I have decided to attend Northeastern University next fall where I will be studying data science and public health. Your generous scholarship not only eases the financial burden of pursuing higher education but also serves as a constant reminder of the incredible opportunities that lie ahead.

Please extend my heartfelt appreciation to the entire HST Board for their unwavering commitment to supporting students. I am so grateful that you have invested in my education.

With utmost appreciation,

Imogen Slavin
